Easter Challenges

Dear Parents & Carers,

As many of you will know, we have a tradition of running a series of Easter Challenges for the children of Stoberry Park School. We want to continue that tradition this year; details of the challenges for each phase are below:

Reception/Year 1 & 2 Phase:

We will be holding an Easter Bonnet Parade in school at 2:30pm on **Friday 4th April**, weather permitting.

For this event we would like the children to create an Easter themed bonnet that they will wear during the parade. The children will parade around the playground in front of friends and family/carers.

Year 3/4 Phase:

We would like to invite the children to create a design for an Easter Egg scene. Points will be given for creativity, humour and uniqueness. Each scene must include an egg of some description. Previous year's creations have included a Minion army, superheroes, a beehive and a penguin!

Year 5/6 Phase:

We would like to invite the children to come up with a design for an Easter Egg vehicle. Your vehicle must carry a standard chicken's egg (safely!) and can be gravity powered, radio controlled or self-powered; it also needs to be visually appealing, in keeping with the season.

There will be Easter themed prizes for the best creations in each class, with the winning designs displayed on the middle playground. The competition will be judged by an external judge, to ensure fairness! **All competition entries should be brought to school on the morning of Thursday 3rd April.**

All parents are welcome to join us on the playground on **Friday 4th April from 2:30pm** for the parade and to view the winning creations. FOSPS will also be holding a cake sale, so please bring any cake donations to the school on the Friday morning.

Eggcellent best wishes, The Stoberry Park Team
